

# HEAVY DUTY 4R100

## FEATURE

- Enhanced Torque Converter
- Oversize one piece case bushing
- Enhanced Friction plates
- All new special upgraded steel plates.
- Center Support Enhancements
- Mercon V-OIL
- Oversize Pump Gear Set
- Upgraded Extension Housing Bushing
- 45 Element Intermediate Sprag
- Special coast clutch drum
- All new iron planetary assemblies
- All new one way clutches
- All new electronics
- Revised calibration
- Improved gasketing

## BENEFITS

- Better performance and longer life
- Improved durability
- Longer life under heavy load shifts
- Improved Durability
- Improved gear train life
- Greater heat resistance
- Improved oil flow
- Improved durability
- Greater strength to withstand heavy loads
- Improved engine braking and increased durability.
- Improved durability
- Improved durability
- Improved reliability
- Gives better shifts in heavy duty use
- Reduced leaks

**3 year / 100,000 mile warranty with no exclusion for commercial use**

**1-800-392-7946**
